U.S. COAST GUARD AWARDS CENTECH FINANCIAL SYSTEMS AND NETWORK OPERATION SUPPORT CONTRACT

Falls Church, Virginia, March 2, 2010 –The U.S. Coast Guard (USCG) has awarded THE CENTECH GROUP, Inc. (CENTECH) their six-month plus four one-year options Oracle Financial Systems and Network Operation Support contract at the USCG Financial Center (FINCEN) in Chesapeake, Virginia under the Enterprise Acquisition Gateway for Leading Edge Solutions (EAGLE) indefinite-delivery indefinite-quantity contract vehicle for information technology support services effective March 1, 2010.

The USCG FINCEN currently employs several innovative and leading edge processes to provide all financial systems for the USCG and is committed to providing services in a self-service Web environment that will improve the quality of financial services and an abundant wealth of financial data to all USCG units and other serviced agencies.

This project has been awarded to EAGLE prime CENTECH and teaming partner Open System Sciences of VA, Inc. (OSS) and includes project management and technical support services for the USCG Core Enterprise Suite and Local Area Network (LAN) Infrastructure at the USCG's FINCEN.

In addition to the program management and network operations support, a key objective under the contract will also be to consolidate mission support systems of the department to realize cost benefits and operational efficiencies as per U.S. Department of
